

Official Statement from The Met Campus Pub

At The Met Campus Pub, the safety and well-being of our patrons are our top priorities. After careful consideration and ongoing discussions with our community, we have made the decision to transition from an all-ages venue to a 19+ venue Thursdays and Fridays after 9pm, effective Oct 7, 2024.

This change is being made to enhance safety measures within our space, ensuring a more secure and responsible environment for everyone who visits. The move to a 19+ venue allows us to better monitor alcohol consumption, adhere to legal regulations, and reduce risks associated with underage drinking.

We understand that this decision may impact some of our younger patrons, and we are deeply appreciative of the support we've received from all of you. Our commitment to creating a welcoming and enjoyable space for students and the community remains unchanged. We believe this transition will allow us to continue offering the vibrant events and experiences you love, while providing a safer and more comfortable environment for all.

We will still host a limited number of all ages Pub Nights throughout the year with enhanced security measures, in conjunction with your Student Union so stay tuned for those!

Thank you for your understanding and support as we make this important change. If you have any questions or concerns, please don't hesitate to reach out.

Sincerely,
